

Last updated: March 21, 2026

Research Interests

- Logic
- Philosophy of Logic
- Philosophy of Mathematics

Education

PhD in Philosophy

University of Italian Switzerland 2020–Present
Alessandro Giordani (supervisor)
Volker Halbach (co-supervisor)
Funding: SNF Doc.CH Grant 227030

Academic Visit

University of Oxford spring 2026
Recognised student for Hilary and Trinity terms
Hosted by Volker Halbach
Funding: SNF Mobility Grant

Master (120 ECTS)

University of Italian Switzerland 2020–2022
Master in Philosophy, research-oriented

Exchange Abroad

University of Amsterdam fall 2021
Exchange semester at the Master in Logic (ILLC)

Bachelor (180 ECTS)

University of Geneva 2017–2020
Bachelor in Philosophy and French Literature

Employment

University of Italian Switzerland

PhD Assistant 2020–2024
Damiano Costa (supervisor)

Academic Works

Journal Articles

- “On the Choice of Numberings”, (under review)
- “Uniform Numberings”, Balthasar Grabmayr (co-author), (in preparation)
- “Interpreting Gödel’s Second Incompleteness Theorem”, (in preparation)

Theses

- “Theories of Arbitrary Objects”, Kit Fine & Kevin Mulligan (supervisors), Master’s Thesis, 2022
- “Truth in Fiction”, Appolline Aymon (co-author), Fabrice Correia (supervisor), Bachelor’s Thesis, 2020

Grants & Awards

<i>Mobility Grant</i> SNF (17'811 CHF)	2026
<i>Doc.CH: Intensionality in Metamathematics and Gödel's Second Incompleteness Theorem</i> SNF Grant 227030 (169'786 CHF)	2024 – 2026
<i>Best Student 2020–2021 of the Master of Philosophy</i> Foundation for the Lugano Faculties of the University of Italian Switzerland (4'000 CHF)	2021
<i>Merit-based grants</i> Foundation Leonardo (3'000 CHF)	2020–2021

Talks

<i>Uniform Gödel numberings and self-reference</i> Formal Methods / Logic WiP seminar, King's College London · London	03.2026
<i>On the choice of numbering</i> Workshop: Variations in Metamathematics · Lugano	07.2025
<i>Interpretation and meaning questions in metamathematics</i> Workshop: Theoretical Equivalence and Related Topics · Lugano	04.2025
<i>Self-referential Gödel numberings and uniformity</i> Logic Colloquium 2024 · ASL European Summer Meeting · Gothenburg	06.2024
<i>What is a good Gödel numbering?</i> Lugano Philosophy Colloquia · Lugano	03.2024
<i>Admissible and adequate Gödel numberings</i> The 11th European Congress of Analytic Philosophy · Vienna	08.2023
<i>Admissible and deviant Gödel numberings</i> Logic Colloquium 2023 · ASL European Summer Meeting · Milano	05.2023
<i>Admissible and deviant Gödel numberings</i> Research Lugano Seminar · Lugano	04.2023
<i>Non-wellfounded proofs</i> Workshop: Varieties of Non-Wellfoundedness · Ligerz	12.2022
<i>Explanatory status of proofs by mathematical induction</i> Congrès triennal de la société de philosophie analytique · Neuchâtel	07.2022
<i>Open-ended Schemata in absolute generality</i> ic.SoAP/EENPS · Belgrade & Genève (online)	05.2020

Teaching Experience

Logic <i>University of the Italian Switzerland</i> Teaching Assistant for Alessandro Giordani · Master in Philosophy	Fall 2026
Topics in Logic <i>University of the Italian Switzerland</i> Teaching Assistant for Alessandro Giordani · Master in Philosophy	Fall 2025
Logic <i>University of the Italian Switzerland</i> Teaching Assistant for Franz Berto · Master in Philosophy	Fall 2023
Topics in Logic <i>University of the Italian Switzerland</i> Teaching Assistant for Timothy Williamson · Master in Philosophy	Fall 2022
Topics in Logic <i>University of the Italian Switzerland</i>	Fall 2021

Academic Service

Workshop Organisation	
(Selection)	
<i>Variations on Metamathematics</i>	07.2025
University of the Italian Switzerland	
<i>Variations on Philosophy of Mathematics</i>	04.2024
University of the Italian Switzerland	
<i>Arbitrary Objects</i>	05.2023
University of the Italian Switzerland	
Summer School Organisation	
<i>Syntax, Truth, and Paradox</i>	06.2024
V. Halbach & L. Rossi (lecturers) · P. Gigli (co-organiser)	
University of the Italian Switzerland	
<i>Reality+</i>	06.2023
M. Balcerak Jackson, D. Chalmers & N. Wildman (lecturers) · P. Gigli (co-organiser)	
University of the Italian Switzerland	
Conference Organisation	
(Selection)	
<i>Lugano Philosophy Colloquia</i>	spring 2023 – spring 2025
Series of 6 talks per semester · C. Marinai & M. Pedroni (co-organisers)	
University of the Italian Switzerland	
Journal Refereeing	
<i>Australasian Journal of Philosophy, Journal for the Philosophy of Mathematics, Theoria (Sweden)</i>	
Member	
<i>Association for Symbolic Logic, European Society for the Philosophy of Mathematics</i>
